

## GMW BST Cub Adventure 2023

**Saturday 16th September 2023**

**This information is for those in the Cub event Please ensure you have read all the information thoroughly. For those in the Scout and Explorer event please read the Scout and Explorer information. Any questions – [bst.adventure@gmwscouts.org.uk](mailto:bst.adventure@gmwscouts.org.uk)**

### Key Information

- **A team entry costs £12.** Payable in advance direct to county.
- **All participants and leaders must complete a medical form.**
- Please complete the form before the event and bring this with you on the day. No completed health form will mean no entry.
- **The BST will start and finish at SD 629 140.** This is the long road up to Rivington top barn. Address: Rivington Hall Barn, Bolton, Lancashire, BL6 7SB.  
<http://www.rivingtonhallbarn.co.uk/>
- Check in will open at 10am until 11am and teams will be set off when they are ready.  
**Please do not try to check in before 10am.**
- **There is no time limit but teams progress will be monitored and teams should be back by 4pm at latest.**
- **Each team must have between 4-6 Cubs (max age 10.5yrs)**
- **Checkpoints must be completed in order**
- **Teams must be accompanied by 1 adult leader (completed DBS and mandatory training) and 1 other DBS checked adult and a good level of competence in navigation and hill walking. Young leaders may accompany a team but must not be one of the adult leaders.**
- **The kit list is mandatory.** If a group does not have all the equipment they will not be able to start.
- If you can provide marshalls for the event sign them up [here](#)

### How does it work?

Teams must navigate a course reaching checkpoints in order on the way. At each checkpoint teams collect a sticker for their map to reach a prize at the end. There is no time limit but it is expected to take under 4 hours.

- The entire course is on Scouting Terrain Zero (T0)
- Teams must have 2 adult leaders with them.
- Leaders should have a good level of competence in navigation and hill walking.
- The route will be easy to navigate

- Teams will start once they have been registered and kit has been checked.
- Teams will need to collect either a sticker for their map at each checkpoint.
- Once all stickers are collected the treasure chest will open
- Teams must go to each checkpoint in order
- Checkpoints will have a leader at them in a BST neckerchief who will check on you and give you a sticker for your map.
- No need to fill out route cards
- We impose the age limit for cubs of 10.5

## Equipment

**All the equipment is mandatory. If a group does not have all the equipment they will not be able to start.**
